

## Year 2 Newsletter 14

Friday 13<sup>th</sup> December

Dear Parents/Carers,

Well, what an exciting week it has been! Firstly, we would like to congratulate the children for their superb performances this week. We definitely have some young thespians in our midst! Thank you to everyone who came and showed their support. We hope you enjoyed watching it as much as the children enjoyed performing it.

In Literacy this week the children started a new mini topic about castles. We were very impressed with the amount of exciting vocabulary the children already knew. They then used this to plan and write some exceptional stories.

In Numeracy, the children have completed lots of mathematical word problems that have revised their knowledge of multiplication, doubling and halving.

Just a quick reminder, that swimming will be as normal next week.

**On Wednesday, Key Stage One will have their Christmas party. Please could we ask children in 2T to bring crisps and children in 2W to bring biscuits. Please ensure that they are NUT FREE. We would be grateful if each child could bring enough for four children. Children may come to school without uniform (no donation).**

On Friday the school will be holding a talent show. Should your child wish to perform and they require music, they should bring it into school on Monday, thank you.

Finally, please could children wear comfortable shoes and a warm, waterproof coat for our walk to St John's Church on Thursday. It would also be useful if children have a plastic bag in school with them next week, in case there is anything to bring home.

Mr Thirlwell, Mrs Whitaker and Mrs Caine
