

## Proposed Oversubscription Criteria for Community and Voluntary Controlled Primary Schools 2014

### Over-subscription Criteria

Places will be allocated in community and voluntary controlled primary schools in the following order of priority:

1. Pupils who are in public care ('Looked After' children) or pupils who were previously looked after but ceased to be so because they became adopted or became subject to a residence or special guardianship order.
2. Pupils who have a brother or sister (including step/half brothers and sisters) permanently resident in the same household and currently attending the school or its associated junior school (excluding pupils in their final year).

Parents/guardians should be aware that a sibling link cannot be claimed where a sibling in receipt of a Statement of Special Educational Needs is attending a resourced unit within a mainstream primary school.

3. Other children.

### Notes

- (i) If there is over-subscription within any category, then pupils will be admitted in the order of proximity of the pupil's home to the school.

Distance will be calculated using a straight line measurement from the pupil's home to the closest **designated** school gate.

Distances will be calculated using the Local Authority's GIS system (Geographical Information System). To ensure consistency applies, all measurements will be carried out by the Local Authority's GIS system and no other method of measuring distance will be considered.

Each property has a coordinate taken from Ordnance Survey ADDRESS-POINT data. This is the point which distance measurements will be taken from.

- (ii) In voluntary controlled schools, no account is taken of church membership or affiliation.
